About Me

A Bachelor of Science in Information Technology degree holder specializing in end-to-end digital solution development. I integrate technical expertise, design proficiency, and content refinement — from conceptualizing features and defining target users to delivering functional web and mobile applications that are purposeful, polished, and user-centered.

Education

- 2026** Bachelor of Science in Information Technology
Western Mindanao State University
- 2022** Accountancy, Business and Management (ABM)
Ayala Senior High School

Projects

SafeNSound (SnS)

An IoT-Based Emergency Detection for Semi-Private Rooms Using Sound Sensor.
